

Brushcutter

Strimmer, Whipper Snipper, Brushcutter: Call it what you like, it'll do the job day in, day out.

INTRODUCTION

THE SMELL OF FRESHLY CUT GRASS...

Designed for cutting and clearing around your property, the VersaTool Brushcutter attachment makes lawn maintenance easy.

It features an ergonomically designed easy-grip loop handle and is light on your back, shoulders and arms.

A durable nylon cutter head makes light work of even the most stubborn of grass and weeds, and a deep debris guard offers user protection from clippings and other hazards.

MAKING MAINTENANCE A BREEZE

If you've ever used a Honda Power Equipment product before, you'll know that the premium components that go into every Honda product are second to none.

Utilising the 'one-click' connector of the VersaTool Power Head, attaching the VersaTool Brushcutter can be done in a second, so you experience less down time.

And with 4-Year Domestic and 12-Month Commercial Warranties, you've got the backing of one of the world's premier manufacturers behind you.
