

Extension Pole

Bringing even the highest branches and bushes into reach, it's the one and only Extension Pole!

INTRODUCTION

A HELPING HAND

The VersaTool Extension Pole will make your life easier, and rounds out the current line-up of premium attachments that connect to the Power Heads.

Unassuming but effective, the ability to add an extra metre's reach to other VersaTool attachments like the Pruner or Short Shaft Hedgecutter will mean you're one step ahead of the rest.

EXTENDED REACH

Honda backs up the VersaTool Extension Pole, along with all the other VersaTool attachments, with a 4-Year Domestic & 12-Month Commercial Warranty.

And there's a network of 400+ Honda dealers who are trained and ready to help you if you run into problems.

But really, what could possibly go wrong? Built with simple yet premium components, the VersaTool Extension Pole is made to last.
