INTRODUCTION

THE PERFECT ADDITION

Are you a homeowner, looking for a tool to keep your hedges, bushes and foliage in shape?

Or perhaps you're a professional contractor, looking for the next addition for your crusade against your clients' gardens?

With the VersaTool's Short Shaft Hedgetrimmer attachment, no matter what you need it for, you'll be in good company.

KEY FEATURES

The Short Shaft Hedgetrimmer features a 550mm double-sided blade, as well as a cutter guard to protect hands and legs from injury.

It offers seven different positions across 110° and marries perfectly with the Extension Pole, so even the most hard-to-reach angles are easy to get to.

And just like the rest of the VersaTool range, the Short Shaft Hedgetrimmer comes standard with Honda's 4-Year Domestic and 12-Month Commercial Warranty, and the support of 450+ authorised Honda dealers around Australia.
