

Pruner

Think you need a chainsaw? Think again! The VersaTool Pruner attachment is all you need...

INTRODUCTION

READY TO WORK

Designed for trimming, pruning and cutting high branches, the VersaTool Pruner attachment is suitable for both domestic and commercial settings.

The most long-awaited attachment in the VersaTool range, the Pruner makes cutting branches and heavy foliage look like child's play.

An Auto-Stop safety function enables automatic stop should the Pruner run out of oil, meaning that no matter how long you run it for, it won't let you down.

THE PERFECT PRUNER

The VersaTool Pruner is the perfect attachment to be used with the Extension Pole, to reach those really high branches.

And it's backed by a 4-Year Domestic Warranty and 12-Month Commercial Warranty, ensuring that Honda's got your back should you run into trouble.

Throw in a nation-wide dealer network of 450+ authorised Honda dealers, and you've got yourself a product that will go on and on.
